

Design Reel Shot Breakdown

Work done 100% by Adam Levine
(all others work has been removed from picture)

Trailer

Squeeze A Nickel trailer, done for my production company. AE, Photoshop, Freeform, Maya, Knoll Lens Flare and others

Opening

Elements for a cosmic zoom done for Mattel for trade shows. Projected on a 30-ft screen. AE, Photoshop, Maya and other.

Dandelion

Ad for COSE. AE (also directed ad).

Fat-kid wipe

For Warner TV. Commotion, Composite Wizard

Zorro transition

For Warner TV. Commotion, AE (sorry about the shitty AVID footage, didn't have the online version).

Talking taffy
